FOR THE YEAR ENDED 31 MARCH 2019

The Trustees (who are also Directors of the charitable company), present their annual report together with the financial statements of the company Redeemer Central for the year 1 April 2018 to 31 March 2019. The Trustees confirm that the Annual Report and financial statements of the company comply with the current statutory requirements, the requirements of the company's governing document and the provisions of the Statement of Recommended Practice (SORP), applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) as amended by Update Bulletin 1 (effective 1 January 2015).

Since the company qualifies as small under section 383, the strategic report required of medium and large companies under The Companies Act 2006 (Strategic Report and Director's Report) Regulations 2013 is not required.)

Structure, governance and management

a. Constitution

The company was set up by and is constituted under a Memorandum of Association dated 01 April 2014. It is registered as a charitable company limited by guarantee. It is a registered charity number NIC100831 with the Charity Commission for Northern Ireland and is a registered charity number XT28326 with HMRC.

The principal objective of the company is the advancement of the Christian faith in Belfast.

b. Method of appointment or election of Trustees

The management of the company is the responsibility of the Trustees who are elected and co-opted under the terms of the Articles of Association.

c. Policies adopted for the induction and training of Trustees

New Trustees are provided with more details of the charity's aims and objectives and are given the opportunity to spend time with the existing Trustees and learn about Trustee responsibilities.

d. Organisational structure and decision making

The company was established under a Memorandum of Association which established the objects and powers of the charity and is governed under its Articles of Association. The Trustees are responsible for the day to day management of the charity.

e. Risk management

The Trustees have assessed the major risks to which the company is exposed, in particular those related to the operations and finances of the company, and are satisfied that systems and procedures are in place to mitigate our exposure to the major risks.

The Trustees have overall responsibility for Redeemer Central's system of internal controls. Such a system can provide only reasonable and not absolute assurance against fraud or error.

A monthly financial reporting system is in place, which allows the financial performance and position of the charity to be monitored and managed by the Elders and Trustees. The Trustees seek to ensure that appropriate policies and procedures are in place and are communicated to all necessary parties in order to mitigate the risks that are faced by the charity.

REDEEMER CENTRAL

(A company limited by guarantee)

TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 31 MARCH 2019

Appropriate checks are carried out in respect of all staff and volunteers who work with children and other vulnerable groups.

Legal advice is sought on an on-going basis as required in order to satisfy our legal responsibilities, particularly in relation to employment matters.

Insurance cover is in place in respect of all major insurable risks.

The Trustees consider that the system of internal controls that is in place provides Redeemer Central with adequate risk assurance.

Objectives and Activities

a. Policies and objectives

Redeemer Central is a church community passionate about Jesus and committed to seeing transformation in the city of Belfast and beyond. The objects of Redeemer Central are set out in the company's articles of association and are summarised as follows:

- (a) to advance the Christian faith in Belfast and beyond;
- (b) to promote and fulfil such other charitable purposes beneficial to the community in Belfast, Ireland, the United Kingdom and such other parts of the world as directors may from time to time think fit;
- (c) to relieve aged persons and persons in conditions of need, hardship, sickness or distress arising therefrom whether in connection with housing or accommodation or shelter or any purpose (whether by way of loan, gift, the provision of accommodation or shelter or in any other way), in Belfast and in such other parts of Ireland, the United Kingdom or the world as the directors may from time to time think fit.
- (d) to advance education whether of children (above or below compulsory school age) or of adults.

b. Activities for achieving objectives

During the year, in pursuit of these objectives, Redeemer Central has continued to hold public Sunday morning gatherings at 101 Donegall Street, at which everyone is welcome. Time is spent in sung worship and scriptural teaching is provided. We also have a kids programme which runs during this time that is for all primary school aged children, and our post-primary young people gather together as Redeemer:Youth.

In addition to our Sunday gatherings, we have mid-week Table groups, which are local community expressions of Redeemer Central that meet in various locations throughout the city. They seek to serve the spiritual or physical needs of their community and church community.

During the year 2018-2019 we at Redeemer Central have continued to outwork our vision as a church community — to contribute to the life of our Belfast City, to serve and bless it, and help to see it flourish. Among other things this has been outworked by Redeemer Central continuing to facilitate a monthly community cinema called Open Cinema Family Matinee Belfast. Open Cinema serves marginalised families in Belfast and the surrounding areas including refugee & asylum seeker families, families living in hostels, fostered and adopted children and families from socio-economic deprived areas. The Open Cinema philosophy is that people who find themselves excluded in society in some way are entitled to and indeed need cultural goods such as art and film just as much as other basic provisions and should have access to these goods and experiences. The project, held once a month on a Saturday, provides activities, crafts and snacks for children and also a cafe area in addition to the showing of a family-friendly film.

TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 31 MARCH 2019

Redeemer Central has also continued to provide food and other essentials to families in need through its Farmbox initiative, whereby volunteers buy and deliver groceries on a fortnightly basis to a number of households in Northern Ireland. Christmas food packs were also given to families in need. In the past year Redeemer began a series of storytelling events called Lesser Heard which provides space for people to tell their stories in a safe and respectful environment.

c. Grant making policies

Gifts to external organisations and individuals are considered by the Trustees on the basis of need and fulfillment of the charitable objectives of Redeemer Central, and due regard is given to affordability.

d. Public benefit

The Trustees confirm that they have referred to the Charity Commission for Northern Ireland's general guidance on public benefit when reviewing the charity's aims and objectives and in planning future activities.

e. Volunteers

The work of Redeemer Central relies on the commitment and hard work of its valued staff, as well as its many volunteers. The Trustees wish to take this opportunity to thank all staff and volunteers for their continued service and dedication.

Achievements and performance

a. Going concern

After making appropriate enquiries, the trustees have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Accounting Policies.

Financial review

a. Review of financial performance

Overall, the Statement of Financial Activities for the year ended 31 March 2019 reflects a net decrease in funds of £27,898, leading to total funds carried forward of £31,172. The closing net assets include restricted funds of £2,878, designated funds of £1,775 and free funds of £26,520, of which £21,695 represents undesignated cash.

Redeemer Central is reliant on the support of individual donors in order to fund its activities, and could not survive without the continued generosity of its people. During the year ended 31 March 2019, giving amounted to £90,883 and Gift Aid claimed thereon totaled a further £20,024. Together these accounted for approximately 94% of the charity's total income.

The Trustees wish to sincerely thank all those who have provided donations to Redeemer Central during the year.

Our largest area of expenditure has of course been in relation to our church gatherings. £108,946 was incurred in order to facilitate our Sunday and mid-week gatherings. This included the salaries of the charity's employees, rental charges for the use of 101 Donegall Street, the cost of heating oil, electricity charges, water charges, expenditure on visiting

TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 31 MARCH 2019

speakers, building maintenance costs, liability insurance, the cost of books & teaching materials, and various other expenses incurred in running the church. £2,298 was also spent on running Open Cinema Belfast during the year.

b. Reserves policy

The Trustees review the charity's reserves policy regularly and aim to retain sufficient reserves for the foreseeable needs of the church. There are three categories of reserves held:

Restricted Funds arise where gifts or grants are received for specific purposes as outlined by the donor. Expenditure is distributed in line with these requirements. As at 31 March 2019, restricted funds of £2,878 were held, representing the unspent balance of funds received for the Farmbox initiative and Jonny & Michaela's mission work in the Middle East.

Designated Funds arise primarily following special Gift Day offerings, following which a specific proportion of the funds may be earmarked by the Elders and Trustees for a particular purpose. Budgets are prepared and the expenditure is disbursed in line with these budgets. Designated funds can also arise when fixed assets are purchased from restricted funding received, provided the purchase of the assets discharges the restriction. In these cases, the net book value of the assets will generally be shown within designated funds throughout the useful economic life of the assets. As at 31 March 2019, the balance held within designated funds was £1,775, which represented the net book value of fixed assets purchased using restricted funds.

Free/General Funds are undesignated and the charity's policy is to maintain the free funds, excluding fixed assets, at a level of between one and three months of normal expenditure. This level of free reserves is deemed necessary in order to withstand any unexpected expenditure requirements and ensure that the charity can continue operating for a period of time in the event of a significant drop in income. This would give time for alternative sources of funding to be sought by the Elders and Trustees, and the charity's options to be considered.

Plans for future periods

a. Future developments

The charity plans to continue the activities outlined above in the forthcoming years.

Trustees' responsibilities statement

The Trustees (who are also directors of Redeemer Central for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2019

1. Accounting policies (continued)

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Support costs are those costs incurred directly in support of expenditure on the objects of the company and include project management carried out at Headquarters. Governance costs are those incurred in connection with administration of the company and compliance with constitutional and statutory requirements.

Charitable activities and Governance costs are costs incurred on the company's operations, including support costs and costs relating to the governance of the company apportioned to charitable activities.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

1.6 Tangible fixed assets and depreciation

All assets if they can be used for more than one year and which cost more than £200 are capitalised.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of financial activities incorporating income and expenditure account.

Tangible fixed assets are carried at cost, net of depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Fixtures & fittings	-	5 years (estimated useful life)
Computer equipment	-	3 years (estimated useful life)
Other fixed assets	-	5 years (estimated useful life)

1.7 Stocks

Stocks are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2019

1. Accounting policies (continued)

1.8 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the company; this is normally upon notification of the interest paid or payable by the Bank.

1.9 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

1.10 Cash at Bank and in hand

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.11 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide. Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

1.12 Pensions

The company operates a defined contribution pension scheme and the pension charge represents the amounts payable by the company to the fund in respect of the year.

1.13 Financial instruments

The company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

1.14 Going concern

The company's charitable activities, together with the factors likely to affect its future development, performance and position are set out in the Trustee's Report.

The Charity meets its day to day working capital requirements through its voluntary income. The current economic conditions create some uncertainty over the levels of funding that will be available for future periods, although the Trustees are of the opinion that the Charity's activities for generating funds will continue to provide adequate funds

The Trustee's have a reasonable expectation that the Charity has adequate resources to continue in operation for the foreseeable future. Accordingly the Trustees continue to adopt the going concern basis in preparing the annual reports and accounts.
